

Claiming Credit for a Regularly Scheduled Series (RSS) on the Pediatric Pandemic Network (PPN) Continuing Education Webpage

You will receive a session code during your session. The code will be active 45 mins after the session starts, and valid until 60 days after the session to claim Continuing Education credit.

You must create an account on the PPN Continuing Education webpage to claim credit.

To create an account:

1. Go to <https://ce.pedspandemicnetwork.org>
2. Click Register on the top right corner on the webpage.
3. Click “Create new visitor account” and follow the prompts to create an account and complete your profile.

To view previously claimed credit:

Go to My Account > Courses > Completed Activities.

To claim credit:

Text the attendance code provided at your event or session to 216-412-9068.

You must create an account on the PPN Continuing Education webpage to claim credit. If you have not previously registered your mobile number to your account, follow the texted prompts to do so.

OR

Go to <https://ce.pedspandemicnetwork.org/code> and enter the attendance code. You must be logged in to your PPN CE Portal account to claim credit.

You must create an account on the PPN Continuing Education webpage to claim credit. If you are not yet registered, you will be prompted to do so when attempting to claim credit.

If an evaluation on the PPN Continuing Education webpage is required to receive credit, you will receive an email with instructions after submitting your attendance code. To claim credit with a required evaluation:

1. Navigate to “My Account” > “Courses” and select the activity under “Pending activities.”
2. Ensure you complete all steps including click Take Course, Resume Course, then Complete the evaluation, and Click Next until you see “You were awarded Credit.”
